FUNCTION & ADVANTAGES FINETT FEINWERK

Wide range of colours

The 34 soft to expressive colours allow to create personal room designs.

Sustainable materials

The backings of FINDEISEN carpets are in general made of 100 % recycling fibers.

Economic efficiency

FINETT needed carpets are offered at a reasonable cost, are particularly robust, durable, easy to clean, and hence economical.

Made in Germany

All FINETT qualities are manufactured by FINDEISEN GmbH in Ettlingen (Germany).

Soft haptics

The fine fibers of the wear layer ensure an elegant surface structure with soft haptics.

Appealing felt-like looks

Brilliant colours and fine fibers result in appealing felt-like looks.

Improved acoustics

High impact sound reduction and sound absorption ensure far better room acoustics as compared to hard floors.

Adapted to allergy sufferers

Carpeting reduces the indoor concentration of particular matter by up to 50 % compared with hard floors (source: Deutscher Allergie- und Asthmabund e.V., June 2005).
